UNITED WAY
advances the common
good by creating
opportunities for a
better life for all.

Our **FOCUS** is on
Education, Income,
Health, and Basic
Needs — the building
blocks for a good
quality of life.

There are basic things
that we all need for a
good life: a quality
education that leads to a
stable job, **income** that
can support a family,
and good **health**.

Be a part of the change.
You can **give**, you can
advocate, and you can
volunteer.
